

"With Jesus we love, grow and succeed"

It is such an honour to lead this school. Today at our Celebration assembly I had the privilege of presenting awards to our Pen Licence winner, our 'Workers of the Week', our 'Readers of the Week', 'Virtues and Value of the Week' winners (all named on the next page). The children here are so willing, they remind me of Jesus' words from today's Gospel; "Of course I want to". We want to give the children here every opportunity to reach their potential and they want to reach it! This week we have had another busy week with classes busy completing their termly assessments (Results in the form of 'Age Related Expectations' will be shared in July) We celebrated Holy Mass for the first time in 16 months as a whole school last Wednesday. It was truly memorable. Please see an extract of an email received from one of our parishioners present shortly afterwards.

"Congratulations to Mr McLoughlin and staff on the preparation of pupils who attended the Holy Mass at St Patrick's Church this morning. They were so well behaved and showed respect and reverence through the mass and on leaving the church. The way that Mr McLoughlin spoke to the pupils about the presence of Jesus in the tabernacle was quite a moving experience for us regulars also. I hope and pray that Jesus will continue to be present to you all and long may He reign in your hearts. God bless you all. You are always in my prayers. "

As I say, it is such an honour to work here. Good luck to England in the Euros, I'll be watching the tennis!

Sports Report written by E from Y6

On Thursday we went to an event called athletics. We 'threw, ran, had relay races, and did long jump' That was for 5 hours. Amazing, isn't it? I came first twice in my races and finished third in the finals. The girls did really well in the relay. They came first in their heat and qualified for the final where they ran brilliantly. Overall, we came third which might not sound great but there were 17 schools there so our result and performances were amazing! A big thanks to Miss Liggins, Miss Stephens, Mr Williams and Mr McLoughlin for driving and supporting us. It was a brilliant and fun day! Try your best in everything you never know

At St Patrick's School we strive to provide high-quality education through which all our pupils reach their God-given potential. Your view is important, providing feedback on how well we are achieving our vision. To this end, we are delighted to share our fourth annual survey to parents and carers across all eight schools within The Romero Catholic Academy.

<https://www.surveymonkey.co.uk/r/RomeroSurvey2021>

The survey takes approximately six minutes to complete and comments are optional. You can provide your details or you may answer the questionnaire anonymously if you would prefer.

We would like to take this opportunity to thank you in advance for completing our survey.

The survey will close on Friday 9 July 2021.

We will be providing sanitized devices in the playground next week to complete this survey.
