"With Jesus we love, grow and succeed"

We kick started our week with the fantastic Rise Theatre group delivering a performance of 'God's Creation' to the whole school and it was wonderful to hear voices singing 'Whose planet? OUR Planet!' so emphatically. We will be pushing a green agenda next week in preparation for the COP26 summit in Glasgow where world leaders will gather to discuss climate change and what they might do to reverse/delay some of the already catastrophic impacts of human behaviour on our planet. Please do speak up and encourage all to follow the Pope's message when he says **"We are stewards, not masters of our Earth. Each of us has a personal responsibility to care for the precious gift of God's creation"**. It is so nice to communicate with so many of you directly on the playground. Please do share your news and do make an appointment to see me if you have any concerns. So many things are not mentioned in school only to cause upset later. We encourage all our children to 'Tell the Teacher' and we are a 'Telling School'. Only four days next week before a well earned rest for all! Mr McLoughlin

Parents' Evening

This is your opportunity to hear directly from your child's teacher as to how your child is progressing and what you might be able to do to support further learning. 10 minute slots are available and will be strictly enforced. Books are in class for inspection prior to your appointment. Please do your best to attend as it is only by working together that we will achieve your child's God given potential.

Sports and afterschool activity

A great week for sports fans as our netballers and footballers were in action against neighbouring school. It's so good to be back to normal and to see so many parents supporting their brilliant children.

ROMERO MASS

Fr Des celebrated a lovely mass today from St John Fisher's church. I was lucky enough to be there with half of Yr 6 whose behaviour and prayerfulness was exemplary. We are very proud of them.
