

St Patrick's Catholic Primary School

Part of The Romero Catholic Academy

St Patrick's Catholic Primary School is a friendly school which provides children with the very best experiences and opportunities.

We work closely with all families at the school and pride ourselves on being at the heart of our local community.

We have an enriching curriculum, extending our learning beyond the classroom to provide children with a variety of educational experiences.

Our children also have access to a range of extra-curricular activities, with after school clubs including cooking, ICT and sports including tag rugby.

Our achievements:

- ★ Good Catholic school
- ★ Improving academic results
- ★ All day provision from age 3 to 11
